But hey, we got a day and a half of this one! And I got to sleep in for two whole mornings. Too bad

*obligatory "awwwwwwww" (Oh, that yawn. Too cute for words.)

(I think I probably look like that before coffee, too. Balancing act involved - too little caffeine and I get a spike in migraine level; too much and my blood pressure goes up, despite two medications. But yeah. Coffee. I could live without chocolate more easily than without coffee.)

Also, hi! I saw several of my friends reading you and your wacky co-workers (?) so I thought I'd see what the fuss was about.

A friend of mine used to arrive at work looking like that (though he was rather less cute).

The scary part was that to get to work he had a half hour commute along a busy motorway, and was notorious for treating speed limits as the lower limit...
